Graduating Seniors

Violet Etheredge

Violet has been a part of the Heinz Academy family for 14 years. During her time at the studio, some of her favorite memories include doing acro tricks with Sophia and spending time with Zoe and Hayden. Through dance, she has learned that there is always a way to connect with others, a lesson she plans to carry with her long after graduation.

This fall, Violet will attend Iowa State University to study Software Engineering and Computer Science. While she is excited for this next chapter, she knows she will miss

the people who have made Heinz Academy feel like home—especially "her girls." One of Violet's favorite costumes was this year's hip-hop overalls, and if she could give advice to her younger dance self, it would be: "Keep working, but don't push yourself as much."

Violet, thank you for 14 years of dedication, friendship, and unforgettable memories. We are so proud of the young woman you have become and can't wait to see all that you accomplish in the future.

Maria Fernanda Sandoval Ramirez

Although Maria Fernanda has only been a part of the Heinz Academy family for eight months, the impact she has made on our studio will be felt for years to come. As a foreign exchange student from Mexico, she brought not only her beautiful ballet training but also a unique perspective, kindness, and joy that enriched everyone around her.

Through dance, Mafer has learned that perfection doesn't exist and that the most important thing is to enjoy the journey and

always do your best. It is a lesson she plans to carry with her long after graduation.

After returning home, Mafer hopes to attend university and dreams of one day owning her own dance studio. While she is excited for what lies ahead, she says she will miss the people of Heinz Academy most—the warmth, kindness, and sense of belonging she found here.

If her younger dance self could see her today, she would offer a simple reminder: "Remember how happy and fulfilling dance is for you."

Maria Fernanda, thank you for sharing your talent, your passion, and your heart with us this year. We are grateful that Heinz Academy was part of your journey and hope you always remember that you have a dance family waiting for you here.
